

CALL FOR PAPERS

International Conference on Selected Topics in Mobile & Wireless Networking (MoWNet'2017)

May 17-19, 2017 – Avignon, France

** Sponsorship Approval from IEEE Computer Society, TCCC **
** Inclusion in the IEEE Xplore Digital Library **

The Sixth International Conference on Selected Topics in Mobile & Wireless Networking (MoWNet'2017) will be held in Avignon, France. It follows MoWNet'2016, MoWNet'2014, MoWNet'2013, iCOST'2012 and iCOST'2011 which were held in Cairo/Egypt, Rome/Italy, Montreal/Canada, Avignon/France and Shanghai/China.

MoWNet'2017 aims at addressing recent research results on selected topics in Mobile & Wireless Networking and to present their methodologies, models, technologies, systems, tools, applications, work in progress and experiences.

Suggested topics but are not restricted to:

- Cloud computing support for mobile services and applications
- Data center architectures and protocols for mobile data
- Green communications models, architectures, and networking solutions considering Edge Cloud and Mobile Cloud
- Self-networks, services and applications
- Content distribution networks for mobile applications
- Information Centric Networks
- Social networking solutions for pervasive and mobile environments
- Vehicular communications and vehicular ad-hoc networks
- Wireless-enabled Peer to Peer services and applications
- Internet of Things and M2M communications
- Participatory Sensing and Crowd Sourcing
- Underwater Sensor Networks
- Wireless communications and networks for Smart grids
- Context-aware middleware design, services and applications
- Security, trust, and privacy in wireless/mobile communications
- 5G Wireless Systems and Networks
- Cognitive Radio Networks (CRN) protocols, algorithms and implementation issues
- UAV networks, delay-tolerant wireless networks
- Software-defined wireless networks
- Network function virtualization in wireless networks

IMPORTANT DATES

Submission of papers: January 5, 2017

Notification to authors: February 28, 2017

Camera ready: March 20, 2017

INSTRUCTIONS FOR PAPER SUBMISSION

Authors are required to submit fully formatted, original papers (PDF), with graphs, images, and other special areas arranged as intended for the final publication.

Papers should be written in English conforming to the IEEE standard conference format (8.5" x 11" - US letter, Two-Column). The initial submission for review will be limited to 6 pages. The final manuscript for publication will be limited to 6 IEEE pages. Additional charges may apply for additional pages.

Conference content will be submitted for inclusion into IEEE Xplore as well as other Abstracting and Indexing (A&I) databases.

Each accepted paper must be presented at the conference by one of the co-authors or a third party, otherwise it will not be indexed and archived through IEEE Xplore.

Only timely submissions through EDAS will be accepted.
